<> Student Course Content and Presentations Download Guideline

Step 1:
On the website, take the following route: Access Portal > Students > Course Presentations > SOC Master Course > SOC Course Week 1
https://soclightprep.com/soc-course-week-1

Step 2:
To download the available content, enter the private or secret password provided to you by your instructor.

Step 3:
Click on the blinking "Download" button with an arrow at the bottom of the top image on the page. The download instance will automatically install the document to your computer. Just a friendly reminder, we only give access to course presentations on a weekly basis.

***** Special Note: Students will not be able to access the secured web content and presentations unless they are in good standing with SOCLight Prep and have been provided with their secret password for that current week. A unique secret password will be given to each student weekly for them to download the presentation notes for that week. *****

===
<> Student Assignments Download Guideline
